PROFILE

Versatile web developer, UI/UX designer, and project manager with a strong foundation in building and managing digital solutions. My experience spans leading full-stack projects, designing intuitive user experiences, and overseeing product development. As a business consultant, I honed my ability to craft strategic solutions, and my ESL background refined my communication and leadership skills. Passionate about leveraging technology to create impactful, human-centered solutions.

SKILLS

HTML, CSS, SCSS, Bootstrap, JavaScript, Typescript, Node.js, Express.js, MySQL, PostgreSQL, User Authentication OAuth, AWS (S3, EC2, RDS, Amplify), Web APIs, Photoshop, Illustrator, XD, Figma, Word, Excel, PowerPoint.
